A Round Lake Beach resident with previous sex convictions was arraigned Wednesday on charges that he sexually assaulted a young girl.

Michael Molidor, 39, of the 1500 block of Channel Drive is charged with a single count of aggravated criminal sexual assault of a child, stemming from a February incident where he allegedly forced the young girl to perform oral sex.

The alleged assault occurred in Molidor's bedroom when he and girl, who is the child of his roommate's friend, were watching a movie. He pleaded not guilty to the charges.

Molidor was convicted in 1992 of sexual abuse for molesting a young girl. He was a registered sex offender at the time of the most recent incident.

Molidor is also facing charges for failing to update his sex offender registration, because he did not inform police that he was working in Zion. He is being held in the Lake County Jail on \$500,000 bond.
