NEWS-SUN STAFF REPORT

A private security guard at Grayslake North High School was indicted Wednesday on charges of child pornography and impersonating a police officer.

Christopher Bosak, 25, of Antioch allegedly possessed indecent photos of a Grayslake North student. Grayslake police said a high school staff member found photos of a 16-year-old female student on a compact disc that belonged to Bosak.

Bosak allegedly told the girl he was a Lake County sheriff's deputy to gain her trust.

His arraignment is scheduled for Dec. 2.
